

Great End of Summer Project!

National PTA Reflections Program 2010-2011

This year's theme: "Together we can..."

Summer is winding down, and we have the perfect end of summer project for you! The Reflections program is an opportunity for students to explore and learn about various art forms. So, put on your dancing shoes, pick up a pen or paint brush, and start creating! Going on an August vacation? Pack those cameras and video recorders, and give your child some time to explore! Kids love taking their own pictures, and you'll be surprised at what they see and capture when given the opportunity.

Students may submit *original* works of art in any of the following six categories:

**Literature * Musical Composition * Photography * Visual Arts * Dance
Choreography * Film/Video Production**

General information, entry forms and specific rules for each category are available at www.FourthDistrictPTA.org, click on "Programs" and select "Reflections". You can also check out the work of winners from previous years.

Entries will be judged on Interpretation of the Theme, Creativity, and Artistic Merit. Students may enter as many times as they'd like. Due date will be early October.
