

Support Our Sharks

PTSA[®]
everychild.one voice.

- During 2009-2010, NHMS PTSA was able to support our school site by allocating over \$60,000 in funds for school assets and programs.
- Department Funding — Every year individual departments receive in excess of \$1,000 in funds for curriculum support and classroom supplies. This provides books, lab materials, educational software/DVDs, equipment for P.E. and the weight room, and performance room enhancements. In addition PTSA donates \$2,000 yearly to the library for books.
- Library Computer Lab — PTSA funded 35 computers for a student computer lab and in 2009–2010, provided over \$15,000 for additional new computers and software in other school labs, as well as continuing to fund Discovery Education classroom video streaming.
- Programs — PTSA sponsors the Reflections Art Program, “Come Walk in My Shoes” assemblies, and in 2009-2010, funded a Holocaust survivor speaker. PTSA provides parent education nights, focusing on topics relevant for parenting middle school children.
- Communications and Safety — PTSA finances the school/home telephone messaging system, the Sick Line, School Loop, reminder binders, regular newsletters, a List-Serve, website and has purchased new walkie-talkies.
- NHMS PTSA plans to continue our **S.O.S.** campaign and to direct all funds generated toward enhancing your student’s education through classroom support, fitness, the arts, and improving the physical environment.
- Please join our **S.O.S.** direct donation campaign. Sponsorships available:

\$ 5,000 Double Platinum Shark

\$ 2,500 Platinum Shark

\$ 1,000 Diamond Shark

\$ 500 Gold Shark
